Dear Sir/Madam,

The above matter refers.

Based on all the documents at hand, we noted that your vehicle was in a slanting position (as shown below) with signal indicator and occupied within the centre lane which indicates that your driver had cut across the centre lane with intention to exit to Stadium Blvd resulting in collision with passenger door of our Insured vehicle.

We append below Insured's statement and sketch for your easy reference.

We also append below your driver's statement and sketch plan:

As such, we opine that the liability is down against your driver as he was cutting across the centre lane with intent to exit to Stadium Blvd.

In view of the above, we have our principal instruction to deny liability and unable to look into your client's matter.

We will proceed to close accordingly.

Thank you.

"Kindly note that this negotiation between parties on this matter is purely on a without prejudice basis with the sole intention of resolving the matter amicably without parties resorting to legal proceedings. No admission of liability, whatsoever, should be deemed / inferred from this negotiation of terms/settlement.
