Accident Sketch Plan Pg. 1

In Car Park Blk 66/70/73 Lorong 4 Toa Payoh - TP3 on 6th Jan2019 Sunday ard 9.40am.

Statement of Account

On 6th Jan 2019 Sunday at 9.40am, weather condition was sunny and bright and road was dry, I, Neo Teck Ban of NRIC holder S0844489G drove our car SJC4126K Peugeot 107 (registered in my son Neo Chik Boon's name) to do my morning groceries with my wife and had this car parked at in Car Park Blk 66/70/73 Lorong 4 Toa Payoh - TP3.

After parking, before we could alight from our vehicle, a Toyota Altis SFR6811X drove close/ near the back of our Peugeot 107 in attempt to park at the opposite lot. However, as the driver of the Toyota Altis Leong Choy Fong of NRIC holder S0159232G mobile phone holder 96700265 did not position her vehicle with enough clearance to safely reverse her Toyota Altis into her targeted lot, while reversing, her Toyota front driver bumper scratched our Peugeot rear passenger bumper.

Before I could get down to take a pic of the accident, the Toyota Driver proceed to adjust her vehicle into the lot and she got down with her son; admitting their mistake and offered S\$100 as compensation to settle out of insurance claim. I took pic of both cars damages and exchanged particulars.

As per whatsapp screenshot provided, my son has explained and advised on the cost of repairing our Peugeot 107 at S\$480. The messages were delivered at 16.18hr and read at 16.45hr but the Toyota driver didn't want to provide any formal reply.

Her husband Henry 96562002 (the car owner of the Toyota Altis) called my son instead on 6th Jan 2019 18.27hr to speak for 6 min 6 sec, we explained that to re-spray our continental car paintwork back to pearl black color and matt black cost around S\$480; thus S\$100 offer was too low. He said to repair and spray his car back cost about the same as well. He will speak to his workshop and contact me shortly.

Shortly after at 18.27hr, Henry contacted my son again and spoke for 1 min 16 sec. We were alarmed to get an answer from him that after consulting his workshop, he told my son that it was not economical for him to pay for both car's damages. And as his insurance is cheap, covering only 3rd party only, I can claim his insurance since he does not need to pay excess and he will try to claim my insurance to change his entire bumper so that he doesn't have to pay anything for the damages caused by his car. It was also obvious to notice that while his Toyota Altis front driver bumper side scratched our Peugeot 107, his front bumper was cracked and passenger side bumper were also scratched. These were not the effect of this accident and show pretty much that they have been rather careless drivers.

Dear Vic

We refer to your email pertaining to the above matter.

Attach herewith Insured's SAS report for your attention.

Based on the accident scene photos (Insured is within the carpark lot and not half way out as alleged by the third party claimant) we are of opinion that our Insured's version of accident is more credible although there was no video footage available.

In view of the above, please proceed to reject the third party claim against our Insured's motor insurance policy.

Best Regards

Pursuant to the above said accident wherein you and/or your authorized driver had amongst other information given us your version of how the accident had occurred, we as the appointed agent of your insurers shall proceed to negotiate for an amicable settlement with third party claimant. **Unless proven otherwise.**

If you have evidence/information to prove that we should not settle the third party claim, kindly let us have them in writing within the next 10 days i.e. by **30/09/2019**, after we shall proceed with negotiation with Third Party claimant on the **without prejudice basis** and any settlement should not bind any claims whatsoever by you/your driver against the other party's insurer arising from this particular accident.

Meanwhile, please forward to us a copy of your video footage for our further review.

Please call us if you have further queries.

Best Regards,
