Brief Details.

On 13th January 2019 at about 1415hrs, I was driving along Bedok Reservoir Road using my vehicle bearing registration plate number SJM2556M. My wife namely Zaharah Ble Hassan, S21633901, 67454764 was my passenger at that point of time sitting on the front left passenger seat.

Subsequently, while driving at the right lane along the mentioned road (Two lane road- One way) just opposite Block 627 Bedok Reservoir Road, one car (V1) bearing registration plate number SGW2685G from the left lane wanted to turn right towards the carpark of Block 630-632 Bedok Reservoir road. His front side of the vehicle collided onto the left side of my vehicle. There was no police or ambulance that attended to the accident. As such, we had alighted from our vehicles, exchanged particulars and took some photos of the accident. I observed that there was no injuries on the driver.

Due to the accident, the front fender of my vehicle and front left passenger door was badly dented and damaged. For V1, his front bumper was dented and came out. I have already sent my vehicle to the workshop to examine the damage and repair.

I felt giddy and slight pain on my chest area. My wife's left arm near the shoulder felt pain due to the impact. As such, on the same day, we went to Changi General Hospital to get ourselves checked. Both of us was discharged on the same day. I was given two days MC from 14-15 January 2019 while my wife was given 4 days MC from 13-16 January 2019.

SKETCH PLAN

DESCRIBE CIRCUMSTANCES OF THE ACCIDENT

I was travelling along Bedok Reservoir Road on the inner lane. As I wanted to filter into the 1st lane I "on" my right signal. As I check my right wing mirror and my blind spot and that it was very safe to make my change. As I was slowly entering into the 1st lane, suddenly this vehicle B SJM 2556M came in a very fast speed and side swipe my right side portion and rip off my vehicle front bumper. We went down and exchange our particulars and took some photos of the damage.
