Dear Sir / Madam,

We refer to the above matter.

Please be informed that OI has reported. Please refer to the below OI's sketch plan and statement.

SKETCH PLAN

DESCRIBE CIRCUMSTANCES OF THE ACCIDENT

Please refer to police report -
---------------------------------

---

**Brief details.**

I was riding my motorcycle (FBM 4972B) along woodlands avenue 12 towards the SLE entrance. I saw a taxi (SHC 3124X) stopped on a forward+right turn lane with a bus (PC 7674D) stopped on its left. There was a gap between the two vehicles. I decided to pass the taxi on its left, in the gap between the taxi and the bus, as i was going forward but the taxi was turning right. As i was in between the two vehicles, the bus on my left moved forward and a protruding metal bumper above its rear wheel hooked my left handlebar and pulled my bike to the ground. My bike scraped the left side of the taxi and toppled onto the ground. The metal bumper of the bus also cracked during the accident. As a result of my fall, my left thumb, forearm, and shoulder was badly bruised and the left sleeve of my motorcycle jacket was torn.

**Please arrange for TP survey.**
