**Brief Details.**

On the 27.03.2019 at about 3.30pm, I was driving my company vehicle GBC7592Y along Dickson Road toward Jalan Besar. At that time I was traveling with my colleague by the name Kew Tinphob Hp: 87691002, and he was sitting at the passenger seat. While I was driving along Dickson Road and was getting ready to turn right to Jalan Besar, there was another vehicle SLW5362J in front of my vehicle and when we are near to Tai Seng Hotel, the said vehicle suddenly jammed brake and come to a stop. I then immediately jammed brake and managed to stop my vehicle in time without hitting onto the said vehicle. My colleague then went down to make a check and he informed me that the distance between our vehicle is about 4 inch apart. The said vehicle then drove to the side and I then drove forward to the junction. The vehicle driver believed to be a Malay about 30 plus came out of the vehicle and approached us and informed us that we had hit his vehicle and requested for our phone number. We did not give him our number as we informed him that we did not hit onto his vehicle. He then told us to leave and I then drove my vehicle away. I wish to state that I did not hit onto his vehicle as my colleague did went down to check and there is no damage on our vehicle. My colleague also told me that when he went down to make a check, he observed that the other vehicle had alot of damages and scratches around his vehicle.
