Describe Circumstance of the Accident \*

At 08.25, I was driving along the A14 towards Turis. I was in the inside lane. There was stationary traffic in all lanes. The cars in front began to move so I gently put on the brakes to bring the car to a <sup>complete</sup> stop. Throughout, I did not change lanes.

A few seconds later, the car behind me hit my car in the rear. I got out the car after ~~some time~~ some time to inspect the damage. We were on a very busy road, so I summoned the other driver to pull onto the hard shoulder. We stopped once and exchanged details.

My car was damaged, so we drove off after exchanging information. The other driver explained that he was very tired, which is why he didn't stop.
