Brief Details.

On the above-mentioned date, time and location, I was driving along TPE to exit 1 (towards Upper Changi Road East, Bedok Town). I reached the slip road and stopped at the traffic light as the light was red. My car was stationary at the traffic light junction and subsequently I felt an impact at the rear of my car. I came out of my car to make a check and saw that the lorry had rammed into my car's rear which had caused a substantial amount of damage to my car's boot, including my back windscreen which was smashed. We exchanged particulars and the driver also informed that he is an employee of Eng Kim Tyres Enterprise Pte Ltd.

After the accident, I felt that my chest and back were in pain. Similarly, my niece (Rachel Ng Mei Yi, S9321771C) who was a passenger in the car felt discomfort in her shoulders. As such, I went to the Mount Elizabeth Hospital to seek for medical help. I received an MC for 4 days from 01/04/2019 to 04/04/2019.
