# Brief Details.

On 04/04/2019 at about 0830hrs, I parked and secured my car bearing registration number SJT5454S at the Bedok Marketplace carpark. Everything was normal and intact.

On the same day at about 0900hrs, I went back to the same carpark to retrieve my car when suddenly, one male subject by the name of Mr Low HP: 97829782 approached me. He informed me that earlier, there was a silver BMW bearing registration number SKC84L that was trying to park directly in front of my car collided with the front of my car when it was reversing. Mr Low showed me the video that capture the whole accident. I then checked my car to see for any damages. Shortly after, I left.

I wish to inform that I have a copy of the video as proof that the car collided with the front of my car. The purpose of making this police report as this was a case of a hit and run.
