

Sketch Plan Pg. 3

On 21/03/2019 @ 7.00pm

I drive my lorry YM507R to Asia Recycling Resources Pte Ltd at No.5 Fourth Lok Yang Road Singapore 629702 to sell carton box.

On arrival I drove my lorry to the weighing bridge to weigh my load. It was very raining heavily. Suddenly there was an impact at the back of my lorry that resulted in my lorry being pushed forward.

I then realised that a lorry No. YP884K hit my lorry while it was still in the weighing bridge.

At the back of my lorry the metal edge was dislocated and bent.

No one was injured.
