Dear Khanchna,

I supposed this is for claim 2675468882SG.

TP video seemed to show OIV encroached. Kindly proceed handling with liability down on insured. Please ensure insured is cleared of liability before settlement.

Thank you.

Best regards,
Loh Chee Heng

Subject: [EXTERNAL] Liability -

This message is from an external sender; be cautious with links and attachments.

Dear Mr. Chee Heng,

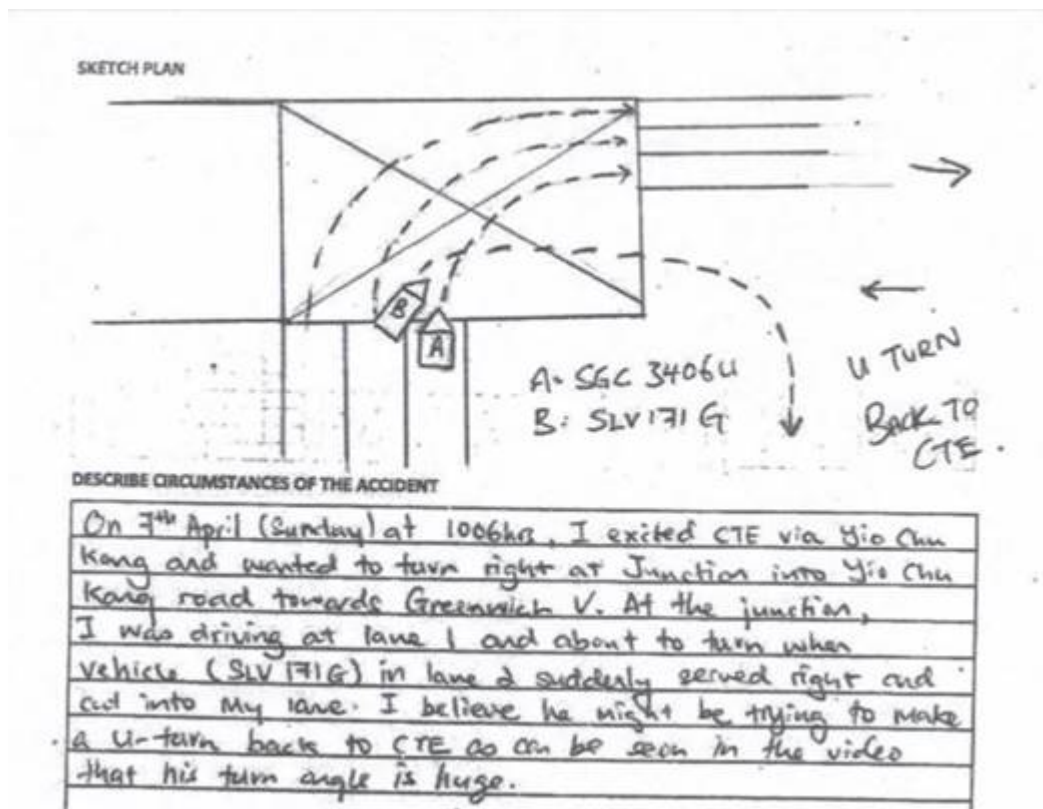

The above matter refers.

Both parties accident version are conflicting in this matter.

Third party's accident video has been uploaded on Merimen.

Based on the accident footage, we noted that both OI & TP are supposed to proceed at the same direction but Insured had made an abrupt turn and collided into Third party vehicle.

As such, we are of the view that the Third party's accident statement and sketch (as per below) is consistent with the accident video footage.

Hence, we opine that liability is down against our Insured.

Appreciate your views/comments on liability.

Thank you.

Best Regards,
