Brief details.

On 04/04/19 at about 1950hrs, I drove my Porsche Panamera car bearing registration, SKR7813A, to the Open Space carpark located at Chun Tin Road as I had a foot massage appointment at Tang Dynasty. After walking away from the car after parking it, I saw smoke emitting from the bonnet. I quickly moved aside and made a call for SCDF assistance. Minutes later, the smoke got thicker and the bonnet burst into flames. At that point the car continued to burn until SCDF's arrival. They then managed to put out the fire and my car was towed to Porsche Service Centre. I wish to state there was no indication of any faults while I was driving the car. I wish to further state that there is no foul play during the incident as I was with my car throughout. I am making this report for workshop investigation and insurance claiming purposes.
