**Brief Details.**

On the above mentioned date, time and location, I was driving a Grey Mazda 3 along Sembawang Road towards Nee Soon Camp (estimated 100 metres before Nee Soon Camp). There was a bus turning out from the bus stop and thus I slowed down, coming to a stop behind the yellow box in order to give way. Suddenly the black Mitsubishi behind me collided onto the rear of my vehicle.

Due to the collision, my vehicle's rear bumper was damaged, I suffered pain at my neck and lower back region. I also asked my passenger if he was injured but he inform he was okay at that point of time. I then exited my vehicle and check if the other party was injured which he informed otherwise. We then exchanged particulars and left.

On 13/4/2019, I went to Healthplus Clinic & Surgery due to the pain and was given 3 day of MC.
