Subject: SMJ 794K - ACCIDENT REPORT

ORIGINAL - BY EMAIL

On 13th April at approximately 11.25am I was driving my car with car plate number SMJ 794K. Once the traffic light to turn left (green arrow) came on, I cautiously moved forward to turn left at the Bayshore road junction, when a lady driver of a red Volvo with car plate number SJC855R which as evidenced in the video footage provided for the incident appeared to have beaten a red traffic light at the same junction out of the blue decided to filter at an accelerated speed into my lane resulting in hitting the front right side of my vehicle.

I was absolutely shocked and had no chance to react given I had already moved ahead and was half way through turning left in my own lane.

- Had i chosen to sudden break it would have caused the vehicle turning behind mine to hit my vehicle from behind.
- Had I chosen to move my car further to the left, I would have hit the kerb on the left of the roadside.

The behaviour of the driver of this red Volvo 'Mdm. Yan Chui Mi' was completely out of line and uncalled for as no one would have expected her to accelerate into another lane without any consideration for a turning vehicle. In doing so she compromised her own safety and of other users of the road.

In short, this accident was a result of the combination of a reckless driver that potentially involved breaking a traffic light, followed by filtering into another lane without exercising any caution.
