WITHOUT PREJUDICE

Dear Sir/Mdm,

We refer to the above matter.

Please be informed that liability is unclear. Our Insured reported that your client was speeding in the carpark, and that his vehicle was already out of the parking lot considerably when your client collided into our insured vehicle. But your client's report shows that his vehicle was already in front of our insured vehicle when the accident occurred, which then our insured drove and collided into your client's vehicle when coming out of his parking lot. Based on the photos provided in the GIA reports, the point of impact was between the front right side and front left side of your client's and our insured's vehicle respectively, hence it seems that our insured report is more consistent with respect to the damage shown in the photos.

There is no conclusive evidence yet to substantiate either party's version. Enclosed herewith in this email is a copy of our insured's accident report for your perusal.

We are in a course of investigating into the circumstances of the accident. After verifying further with our OI we will revert with our opinion on the cause of the accident. Kindly do not refer to any party for legal assistance until you heard further from us.

Meanwhile, kindly forward to us with any evidence (if any) your client have to support your claim.

Thank you.

**"Please note that our above settlement is made on a without prejudice basis, and should not be construed as an admission of liability on our part or on the part of our insured/driver. Terms of such settlement should also not be disclosed in any other related matter(s) in respect of the accident. Our offer made in respect of this present matter is made solely to resolve this matter only. No reference shall be made to this offer or any settlement arising from this offer in any other related matters."**

**Settlement and payment are subject to production of original documents on demand at any time and execution of Discharge Voucher (for settlement sum above \$20,000/-) by the Plaintiff/Claimant. Further all original documents shall be retained by us after we have made payment on the settlement sum."**
