CONTINUATION OF REPORT

Brief Details.

On the above mentioned date and time, I was driving my vehicle along Mountbatten Road towards Kallang (Old Airport). As I was approaching a traffic light junction, I came to a stop and queued behind every other vehicle waiting for the traffic light to turn green. My car was stationary on the extreme left lane. While waiting, I felt a bump from the rear of my vehicle. I alighted from my car immediately to make a check and discovered that a cement truck had collided onto my vehicle. There were scratches and dents on the rear of my car. The driver and I exchanged details and took pictures of the accident before leaving the scene. I later felt discomfort therefore I went to Mount Alvernia Hospital to seek treatment. I was given 5 days of MC. I am lodging this report as required by Traffic Police.
