Dear Janice,

We refer further to the below email.

Based on the Insured's video footage, we are of the view that our Insured vehicle was travelling straight across the junction with green light on his favour when TP vehicle on the other side was making a right turn and did not slowed down or stop to give way to our Insured's vehicle. TP repairer confirmed that they do not have any evidence available.

As such, we are of the view that our Insured is not liable of this accident and we intend to deny the TP claim.

For your approval please.

Thank you.

Best Regards,
