**Brief Details.**

On 18/04/2019 at about 2110hrs, I was driving my car (SKZ20A) on the first lane of Still Rd heading towards Jln Eunus. Suddenly, a car (SJD696C) which was driving along the second lane tried to cut into my lane which caused his front right portion of the car to hit onto the left side of my car, between the left front passenger door and the rear passenger door. I stopped my car and alighted to make a check but the driver drove off. I quickly chased him and managed to caught up with him at the next junction. When I met up with him we exchanged particulars and left the scene. After the driver drove off, a lady approached me and told me that she saw the accident and told me that she could be a witness. She provided me with her name and contact number. I went to the doctor the next day as I felt pain on the back of my neck and was given 5 days of mc.
