Dear Vic

Please see the attachment for the video footage.

Our driver's was travelling straight and your insured who turning out from the right without checking for the oncoming vehicle and hit onto our taxi right side portion resulted our taxi swerved to the opposite lane and collided onto a van.

Brief Details.

On 23/04/2019 at around 0930hrs, while I was driving my vehicle (SHD81A) along Old Toh Tuck road. Suddenly, a vehicle (SMC8187Y) from my right side collided into my vehicle which resulted in a accident. The accident resulted in my vehicle to swerve to the opposite lane and collided into a van (GBH3080H). All parties alighted the vehicle and exchanged particulars. Damages to my vehicle were cracked headlights, front bumper had dents, scratches and was dislodged, hood of the vehicle was also badly damaged, the right side of the vehicle also had scratches and dents. I wish to state that I have In-Car camera and it had recorded the accident. I was also given 4 days of MC for my neck, shoulders and back pain. There was also no CCTV around the area. No Police or ambulance came to the scene. My vehicle was then tolled away. I am lodging the report for insurance claim purpose.
