**Brief Details.**

On 25.04.2019 at about 0930hrs, I parked my car, SMA4208H at one of the parking lot at carpark of Newton Food Centre. At about 1230hrs, I returned back to my car and discovered two notes at my car's front windscreen. One note is from a traffic Police advising me to file a hit and run accident report whilst the other note is from a witness who informed that "I saw someone bang hit your car back. I got the car number. my phone 87869607." I then checked on my car's camera which showed a Hyundai Tucson car, SJV5926L was reversing to enter a parking lot behind my car and thus hit the back of my car. A female driver and a male passenger came out of the said car and looked at the back of my car. Thereafter they returned back into their car and the male passenger was seen entering the driver side and drove the car away from the scene. There was no note left by them on my car. The witness informed that the incident happened at about 1000hrs.
