### **Brief Details.**

On the 25/04/2019 at about 0810hrs, I was driving along Aljunied Road at the center lane out of three lane. I then signaled right as I wanted to change lane to the right. I then check my mirror and blindspot, it was clear for me to change lane, I then proceeded on to change lane. When I had already lane change when suddenly a lorry from the middle lane then suddenly change lane without checking his blind spot as my car was situated at the blindspot. The lorry right side had hit onto my left side of my car. We then stopped at the side of the road and exchange details. No one was injured during the point of time. After a while later, I felt pain on my neck and shoulder and as such I went to Raffles Medical and received 3 days of MC. My car suffered damages and dents on the left side of the front passenger door. I also have a inbuilt camera and I have the footage of the accident.
