Brief Details.

On 26/04/2019 at about 2.20pm, I was driving my taxi bearing the registration number SHC2188T along the extreme left lane of Commonwealth Ave West towards Clementi. There was a van bearing the registration number GBD3500J driving behind me. He changed lane to the right lane and shortly after, abruptly cut into my lane without giving any signal. While cutting into my lane, the left side of the van hit the front right (above front right wheel) of my taxi causing dents and scratches. Both of us stopped by the side and we got out from our vehicle. He came to me and told me to report insurance. I did not ask for his particulars. We then took photos and continued our journey.

I did not observe any visible injuries on him, I was not injured at that point of time. I did not see any passenger in his van, there was no passenger in my taxi.
I reported to my company, Comfort Delgro, this morning. They have also viewed the in-car camera and advised me to lodge a report. I am the hirer of my taxi.
