Brief Details.

On 28/04/2019 at about 2115hrs, I was driving my taxi (Red Transcab, SHC5773J) along Bangkit Road. I was about to turn left into Bukit Panjang Road when I made a complete stop to check for traffic. I suddenly felt an impact behind me. I made a check and realised that a car (Black Honda, SKV9998R) had hit the rear of my taxi.

I got out of my vehicle and took pictures of the damages. As we were blocking traffic, the other driver and I decided to stop at the nearby bus stop. We exchanged particulars.

I felt pain on my back and my head as such, decided to see the doctor at Mount Alvernia Hospital. I was given 5 days MC from 29/04/2019 to 03/05/2019.

I do not have any camera in my taxi. I do not know if there are any CCTV in the area. My taxi sustained damages on the rear bumper. There were no passengers in my taxi and no government property damaged.
