Without Prejudice

Dear Sirs/Mdm,

We refer to the above matter.

Based on the video footage, it was clear that our insured vehicle was still at his lane and position when your client encroached into his lane. We are of the view that based on the angle of encroachment, your client would still have side swipe onto our insured stationary vehicle.

Therefore, we regret to inform you that we have our principal instruction to maintain rejection.

Thank you.

“Kindly note that this negotiation between parties on this matter is purely on a without prejudice basis with the sole intention of resolving the matter amicably without parties resorting to legal proceedings. No admission of liability, whatsoever, should be deemed / inferred from this negotiation of terms/settlement.”

In the event of new evidence being discovered or subsequently produced by either party that will materially affect/influence on the issues of liability/damages, either party is not bound, thereafter, by the negotiation terms/settlement.”

Best Regards,
