Without Prejudice

Dear Sirs/Mdm,

We refer to the above matter.

Please be informed that our insured strongly disputed on this third party claim. We have spoken to our insured and he confirmed that his car was traveling on lane 2 which the lane can go straight or turn left. Your client cut into his lane and caused the accident. Furthermore, our insured mentioned that your client had informed him that his car is alright on the same day.

In view of this, we regret to inform you that we have our principal instruction to deny liability & unable to look into your client's claim.

"Kindly note that this negotiation between parties on this matter is purely on a without prejudice basis with the sole intention of resolving the matter amicably without parties resorting to legal proceedings. No admission of liability, whatsoever, should be deemed / inferred from this negotiation of terms/settlement.

In the event of new evidence being discovered or subsequently produced by either party that will materially affect/influence on the issues of liability/damages, either party is not bound, thereafter, by the negotiation terms/settlement."

Note: We are on work from home arrangement. All correspondence should be made via email. Submission of claim related documents will be in softcopy. Any inconvenience caused is much regretted.

Best Regards,
