Brief Details.

On the abovementioned date, time and location, I was driving my Grab car, SGZ5309H, with a passenger sitting behind. I was driving along Langsat Rd turning right to Everitt Road North when suddenly a motorcycle came in the opposite direction. I did not see the motorcycle when I was turning. According to my passenger, the rider did not turn on his headlight. The motorcycle then knocked onto the front of my vehicle. The rider fell off from his motorcycle and I immediately went down to make a check. He was lying on the road but he was conscious. I called the ambulance and the ambulance came and conveyed the rider to CGH. I am not injured. The Traffic Police later came and gave me a report number and advised me to lodge an accident report. The investigation officer in charge is Clarence, 65476195
