Sketch Plan #3

Date/Time of Accident: Tuesday, 14 May 2019, 1519hrs

Place of Accident: Teck Whye Avenue going into Jalan Teck Whye T- Junction

Vehicle Number: GBG 140 T

Reported Officer: Fauziah Jabbar

Summary

On the above mentioned date and time, I was waiting behind a car for my turn at the Teck Whye Avenue main road to Turn Right into Jalan Teck Whye at the T-Junction small lane. I have also signalled right to indicate my intention to turn right. After the car in front had Turn Right, I waited again to let an incoming car to pass through. After which, I've checked and ensure that there's no more incoming traffic, I proceeded to Turn Right. I was already almost entering Jalan Teck Whye when I felt an impact on my right side near driver seat. I then learnt that it was Honda Phantom FU151ST, was actually from Jalan Teck Whye turning right into Teck Whye Avenue. He collided and fell. It happened so fast and that he even manage to get up and moved his motorcycle even before I was able to get down from the van to take photos. As there were many incoming traffic, I then proceeded to drive forward into Jalan Teck Whye and stopped my vehicle there to settle the issue. The rider, Mohamad Nazary Bin Tamby of S1337331J admitted that it was his fault. He mentioned that he was blur and unaware of my van coming into Jalan Teck Whye. He also added that he just got his license which was recently suspended and that he pleaded for me not to report the incident. After checking, he also mentioned that he was not injured and his bike was not damaged whereas the van was dented at the right side door. I was not injured as well. We then parted ways and he was also informed that I have to report the incident as I was driving company's vehicle. He also agreed for it to be claim under insurance as he mentioned he has no money to settle privately.

I have video footage of the incident and the sketch for your reference. Thank you.
