Hi LKK,

Please refer to attached.

In the PRI report your recommended cost of lump sum repairs is \$1,650 but in the re-survey report its only \$475.

Why the large difference? Kindly reply asap. Thank you.

Best Regards,

Hafizul Farhan Bin Rahmat
Assistant Logistics Support Officer
Logistics Support and Services Division

Police Logistics Department | Singapore Police Force

The large difference was because photos shows ~~not~~ ^{no} ~~much~~ damage and some parts are inconsistent to ~~accident~~ and furthermore the print buyer was indicated as re-use in the ^{Survey} independent report and we have removed this item accordingly.

However for a higher repair range,
we opt the opine that the CR should be.
\$1400/-
