Dear Mr Sankar,

We refer to the above matter.

We have reviewed the matter and based on all the available information on hand, we are of the view that both parties should exercise caution. Third party was passing by your vehicle on the left while your driver was reversing and both vehicle side swipe each other's.

As such, we shall proceed to negotiate for an amicable settlement of the third-party claim at best to avoid further litigation, which would escalate to even more cost.

If you are against our settlement offer to the third party, kindly let us have them in writing within the next 14 days i.e. by 20/11/2020 and we will seek further instruction from our principal.

Thank you.

***Note: We are on work from home arrangement. All correspondence should be made via email. Submission of claim related documents will be in softcopy. Any inconvenience caused is much regretted.**

Hi Ms Chew

Please find attached the photos I took that day when the driver offered to fix the side mirror and I pitied with the driver and didn't proceed with the claim.

Since I called the company earlier and said that I am going to report and submit my claim, they have proceeded with their claim.

Regards

Sankar
