DESCRIBE CIRCUMSTANCES OF THE ACCIDENT

On 16th May 2019 around 1935hr, I was cruising around Ang Mo Kio Industrial Park 2. When I was turning from Serangoon North Avenue 6 into Ang Mo Kio Industrial Park 2A, I noticed at that time there were two cars parked along the road shoulder in the direction I was travelling. As it was a single lane road on both sides, I drove carefully and kept a safe distance whilst I was driving pass the two parked vehicles. (One of the vehicle was SJJ8432M.)
Out of sudden, I heard a loud bang and got a shock. I realised the bang was the collision impact between the vehicle SJJ8432M and my vehicle. The driver of vehicle SJJ8432M had just recklessly drove and moved out his vehicle from the parked position. The driver Mr. Kelvin Khoo Kok Chuen (S7926692B) obviously had not noticed that my vehicle was travelling along the road and was at his right side at resulted to the collision between both our vehicles. The accident could have prevented if he have practised safe driving.
The impact of the collision was so great that my vehicle was not only thrown forward but also caused severe damages that prevent the vehicle from driving. I had to get the towing service to I tow the vehicle to Loyang for accident reporting and repair.
I hope this report together with the submitted video recordings could help you in your investigation and subsequent insurance claims if any.

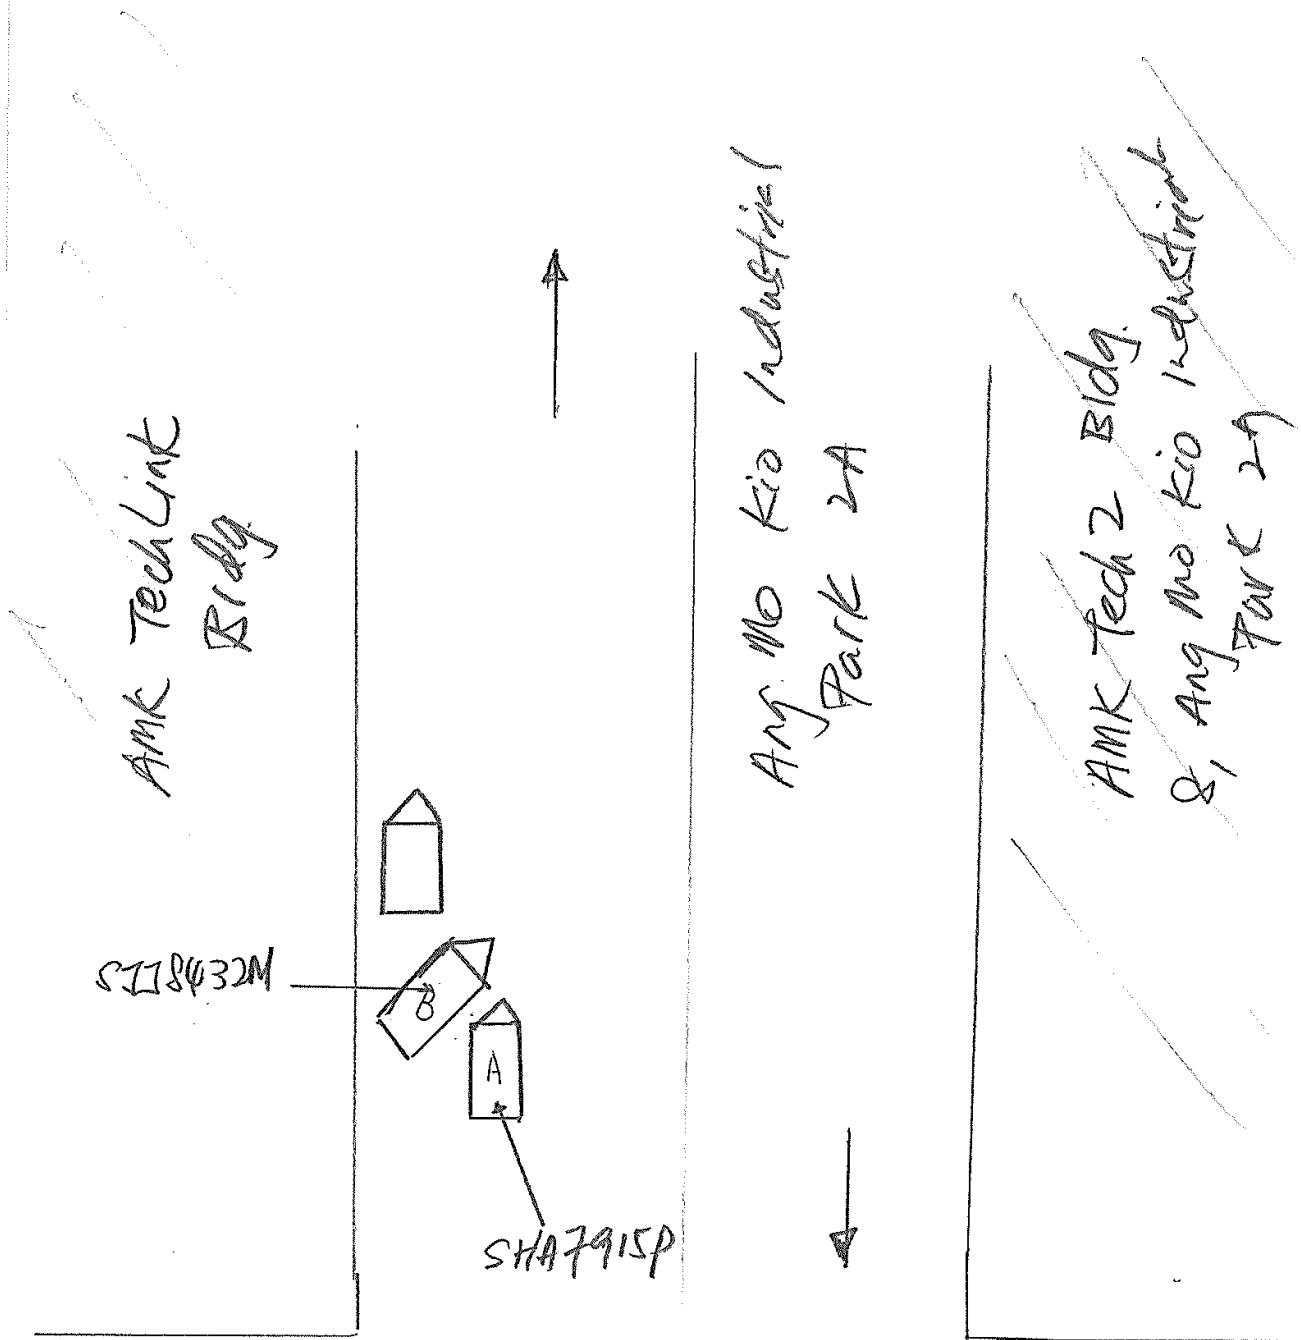

DECLARATION

I/We declare the foregoing particulars are true in every respect.
