PLEASE REFER TO POLICE REPORT NO.T/20190323/7010 LODGE AT 10 UBI AVENUE 3 I was the rider of FBC8217A, traveling along AMK Ave 5, towards AMK. traveling on the middle lane at about 40-50km/hr At the said junction, i was traveling straight on green light when a car on the opposite direction turned right, into my lane. i horned at him to alert him but he continued with the turn. trying to avoid him, i swerved to the right lane but i was not able to avoid him and hit his rear left side. After which i fell onto the road, my bike flipped and landed on me. A fellow rider at the junction stopped to help me up. There was a patrol car on duty which was 2 cars behind which stopped and the officers stopped to render assistance. I walked to the side of the road and sat at the kerb. Was later taken to the hospital for evaluation after TP came down. i did not get any pictures of the incident and i did not get the other driver's plate number due to the police presence at that time. i briefly spoke to the driver of the other vehicle and he seemed dazed and confused. i am not sure if he was under the influence but the traffic police officer was attending to the accident would know better than i do.

## Brief Details.

I was the rider of FBC8217A, traveling along AMK Ave 5, towards AMK, traveling on the middle lane at about 40-50km/hr

At the said junction, i was traveling straight on green light when a car on the opposite direction turned right, into my lane. i honked at him to alert him but he continued with the turn. trying to avoid him, i swerved to the right lane but i was not able to avoid him and hit his rear left side.

After which i fell onto the road, my bike flipped and landed on me. A fellow rider at the junction stopped to help me up.

There was a patrol car on duty which was 2 cars behind which stopped and the officers stopped to render assistance.

I walked to the side of the road and sat at the kerb. Was later taken to the hospital for evaluation after TP came down.

i did not get any pictures of the incident and i did not get the other driver's plate number due to the police presence at that time.

i briefly spoke to the driver of the other vehicle and he seemed dazed and confused. i am not sure if he was under the influence but the traffic police officer was attending to the accident would know better than i do.
