Brief Details.

On 17th May 2019 at 1.30pm, I was driving my vehicle registration number: SJG 7835G along Serangoon North Avenue 1 towards Ang Mo Kio. It was 5 lane road and I was travelling in the centre lane.

Upon reaching the junction of Upper Serangoon North Avenue 1/3, there was a vehicle ahead of me stopped due to the traffic light showed red. I applied brake and managed to stop on time. I pulled up my handbrake and was in the stationary position.

Then, there was an impact coming from my rear portion. I realised that there was another vehicle registration number: SDX2326Z (V2) had collided to my vehicle. I alighted from my vehicle and asked V2 (Driver). V2 mentioned that he admitted collision to my vehicle.

At that point of time, I was in pain and managed to take down his details. After which, I went to seek medical attention and was given 5 days MC. I was advised to lodge a report. There was a CCTV inbuilt in my vehicle.
