Dear Mimi,

I refer to my last email dated 06 May 2015, may I know have you receive the CD that contain the accident scene video footage?

If yes, can you also coordinate with your appointed consultant M/S LKK Auto Consultants Pte Ltd (Mr. Lim Chin Siong Bevan).

Dear Mr. Bevan,

I refer to your letter ref. CC3/AIG15004986/H1sm3 dated 20 May 2015 pertaining to the accident that involved with SGW8997S and SHA9950Z on 20 MArch 2015.

Please do not proceed the settlement with the opposite party's claim unless they can show you that the TAXI - SHA9950Z did not beat red light. Usually, the TAXI company will fix in car video camera for their fleet, thus get them to prove that the driver did not beat the red light signal

Whereas I have my own video footage that show I had stopped for the red light and moving off after the green light appeared. This video footage had already shown I did not violate any traffic rule.

ALAN (Mobile : [+65-90602526](tel:+65-90602526))

Dear Mimi,

But did you also receive other medical receipts that are mailed together with the CD or just only one medical receipt?
