Dear Sir/Madam,

We refer to the above accident where we are acting for AIG Asia Pacific Insurance Pte Ltd to resolve the claim against you and/or your authorized driver under the Auto Insurance policy taken up with them.

Kindly note that we are in the midst of investigating the matter. If you have evidence/information to prove that we should not settle the third party claim, kindly let us have them in writing within the next 10 days i.e. by **30/05/2015**, after we shall proceed with negotiation with Third Party claimant on the **without prejudice basis** and any settlement should not bind any claims whatsoever by you/your driver against the other party's insurer arising from this particular accident.

Dear Mimi,

I refer to my last email dated 06 May 2015, may I know have you receive the CD that contain the accident scene video footage?

If yes, can you also coordinate with your appointed consultant M/S LKK Auto Consultants Pte Ltd (Mr. Lim Chin Siong Bevan).

Dear Mr. Bevan,

I refer to your letter ref. CC3/AIG15004986/H1sm3 dated 20 May 2015 pertaining to the accident that involved with SGW8997S and SHA9950Z on 20 March 2015.

Please do not proceed the settlement with the opposite party's claim unless they can show you that the TAXI - SHA9950Z did not beat red light. Usually, the TAXI company will fix in car video camera for their fleet, thus get them to prove that the driver did not beat the red light signal

Whereas I have my own video footage that show I had stopped for the red light and moving off after the green light appeared. This video footage had already shown I did not violate any traffic rule.

Dear Hafizah,

Refer to the below email.

OI and his agent disputed on the liability. Their point is although video doesn't capture the accident, it can be proven that green light is in favour OI as per video and OI waited till green light is on during the accident.

They are very adamant that TP was beating the traffic light and caused the accident.

As such, we are seeking your assistance to engage OI if he want to seek indemnity under policy to let your office settle the claim to save cost or want to take conduct of third party claim at his own cost to defence.

Await your further instruction / advice. Thank you.

Dear Hafizah,

We had spoken to the insured and his agent Mr Joseph.

OI mentioned that video footage clearly show that traffic light was in green in his favour to prove his version. Therefore, he did not violate any the traffic rule. So, he disputed on the liability.

Although, third party sustained injury, there is no PIR yet. As OI don't agreed us to settle, we are looking for your assistance to liaise OI and advise him accordingly. Thanks.
