Without Prejudice

Dear Wai Yin,

ACCIDENT INVOLVING VEHICLES SMG 5419C AND SHB 9872K ON 22/05/2019

We refer to the subject matter and to your LOD.

Please be informed that our principal had further reviewed the matter and based on the available information and evidence at hand, our principal is in the view that our Insured is not liable of this accident.

Based on our Insured's video footage, we observed that Insured vehicle was travelling along the leftmost lane to make a left turn at the junction when your client, the taxi, on his right, made a left turn too early and collided to our Insured's vehicle front right portion.

Below are the screenshots of the footage for your reference.

In view that Insured vehicle was within its lane when making the turn, your client, the taxi should have followed the turning path of the front vehicle and not turned too early at the junction.

As such, we have our principal's instruction and that we are unable to look into your client's claim.

We will now close the matter in our end.

Thank you.

Best Regards,

Vic Alpeh | Case Handler
