Hi Veron,

I'm actually on leave. I am chasing the approval because this car is in my workshop. Owner would not be happy if the repairs are delayed because of approval. Normally for OD I do not submit the letter of authorise. I had already spoken to your surveyor on the Labour cost too. Can I start the work at least? I will only be able to send you the letter on Friday. Hope you can understand my situation. I will get the letter you need asap.

Best regards

Sam
