Dear Sir/Madam,

We refer to the above matter.

Kindly be informed that based on documents at hand and TP's accident video, we opine that liability is down against our Insured under BOLA 23.

Our surveyor has finalised the above matter with TP's repairer.

However, TP's repairer did not submit the LOD until now. In view of no further development, we will proceed to temporary close the file and submit the report to your office.

If any new development in future, we will keep you informed for an update and follow up the matter accordingly

Thank you.

Best Regards,
