CONTINUATION OF REPORT

Brief Details.

On the above mentioned date, time and location while travelling at the left most lane along Jalan Buroh towards Penjuru road, I met with an accident involving my motorcycle (JRA2002) and a trailer (XE1863J). The trailer had originally wanted to turn at a T-junction but suddenly stopped and reversed. As I had stopped behind him, I had to jump away from the motorcycle. However, my motorcycle's front bumper got damaged. We managed to exchange our particulars I am lodging this report for record purposes and for insurance claiming purposes. This is the first time such incident has happened.
