DESCRIBE CIRCUMSTANCES OF THE ACCIDENT

Accident happens on 25/3/19 around 10:17pm, along Franchise Road. I had already finished sitting to the bank I was in when 2012 2014 suddenly bang into me from the left side. It was travelling at very high speed I braked at the car and the car continued to drive right ahead, stopping about 100 metres in front of my car.

Upon stopping, both drivers then got out. No other driver appeared to be in shock and say they do not know what to do. I then suggest we take photos of the cars, report to our insurance and submit our witness footage and also witness photo report. We also exchanged phone numbers and driver licence (to take photo).

As there was no one injured, and both cars look ok, we left the scene as we were holding up traffic. From what I go, the other car had scratches on the right side back of car where it hit me. As it was very late then, I just drove home and made a police report the next morning.

DECLARATION

I/We declare the foregoing particulars are true in every respect.
