### Brief Details.

On 27/05/2019 at about 2000hrs, I was driving my SMRT taxi (SHF362D) with no passenger along Bayfront Avenue towards Shenton Way direction. Eventually, I was arriving at the cross-junction of Bayfront Avenue and Marina Boulevard and driving along the lane 1 (Most right lane). I wish to state that I was driving at the speed of estimate 50km/hour or lesser at that time. After I arrived at the cross-junction, the traffic light was green in my favour I then proceeded to drive into the cross-junction. Another vehicle (SLP5542T) from the opposite of the road was attempting to make a right turn from Bayfront Avenue to Marina Boulevard road. The other vehicle then tried to make a turn and had entered into my lane while I was driving and approaching the cross-junction.

Both the vehicles then collided. I got off my vehicle then took a few photos of the scene. However, I was feeling dizzy and uncomfortable and went back to my vehicle to rest and await the ambulance and traffic police to come down to scene. I wish to state that I was feeling very dizzy and unable to keep aware of my surroundings, and did not talk or check the other driver details or contacts or both the vehicles damage. Both the ambulance and the traffic police came down to scene, and I was being conveyed to Singapore General Hospital while conscious. I was discharged on 27/05/2019 and given a 5 days medical certificate from 27/05/2019 to 31/05/2019 reference EMD2019200883. I wish to state that I am unable to police reference number for this incident. I recall the other vehicle had one female passenger.

I am lodging this report for own record and under the SMRT company instruction.
