WITHOUT PREJUDICE

Your Ref: SHD 9619R

Dear Sir,

Date of accident on 30/08/2014 involving vehicles GZ 3571D & SHD 9619R

We refer to the above matter.

Our insured reiterated that the accident is solely due to negligence of your driver who made a right turn at X-junction and collided into his going straight vehicle.

Enclosed herewith is the statement of our insured for your record purposes.

We have reviewed both reports. Basing on circumstances of accident and reports from both parties, the accident scenario falls under BOLA 5 (your client turn right, our insured drive straight.). Therefore, our client has more precedence and right of way as he was going straight at the material time.

Under such a circumstances, our principal has given us the instruction to inform you that we are to reject and deny the liability.

As such, we are unable to assist your claim. We will proceed to close the file at our end.

Best Regards,
