Dear Vic,

If there was no contact between vehicles, there is no reason for your principal's insured to pull to the side and "check for damages". Please look at the scene photos that was attached together with our Letter of Demand.

We reattach two for your easy reference. Further to this we have also given the VF to your principal (Ms Ong Li Li - LonPac) on 06/06/19. Please refer to them if in doubt. Kindly review and let us have your proposal urgently. Thank you.

Best Regards

Dear Kazali,

We refer further to our below email.

As our Insured had denied collision between both vehicles, we would like to request for the coloured scene photos as provided in your LOD for our further action.

Thank you.
