Subject: Accident at basement carpark
Attachments: IMG_0688.JPG; ATT00001.txt

Dear Han and Annie,

As spoken with Annie this morning, I am reporting an accident in our basement carpark at lobby k.

At around 7 am this morning, I got into an accident in the basement with the Malay man driving the yellow Rubbish vehicle. I was turning right at side road near vending machine lobby k (right of way) and he came from opposite direction against traffic and collided with my car before I could complete the turn. Please view the cctv footage at lobby k facing washing Bay around 7 am. Please advise how I should pursue compensation for the repair (see damaged below). Thanks for your attention.
