'WITHOUT PREJUDICE'

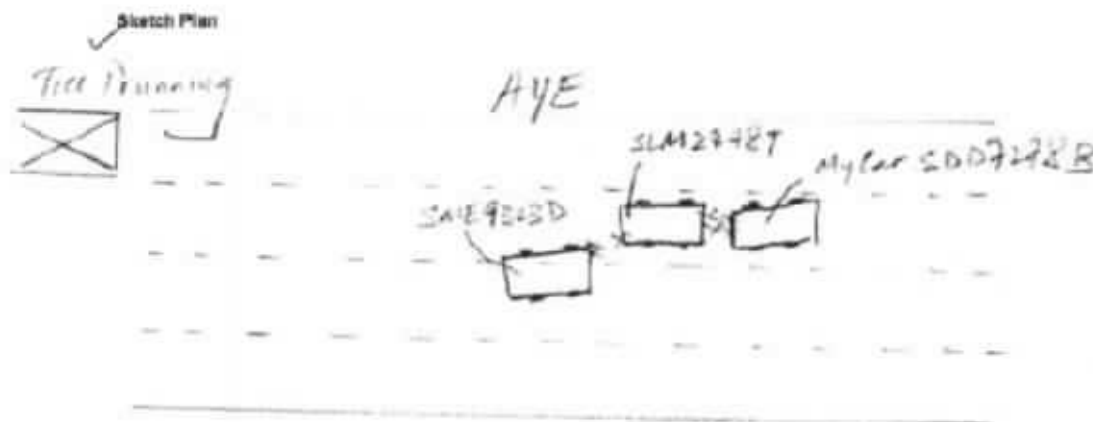

SAVE AS TO COSTS

Dear Sir / Madam,

We refer to the above matter.

Please be informed that we are currently **pending verification for direct settlement.**

Fyi, OI has reported. Please refer to the below OI's sketch plan and statement.

Describe Circumstances of the Accident

We were driving along AYE towards Alexandra Road on a bright Sunday morning. Visibility was good and I was driving with my father sat next to me on the front passenger seat. My sister is in the rear passenger seat. When I was driving in Lane 1 along with other cars in AYE when we reach somewhere there was a sign of NUS (a straight stretch of the AYE) there was a shortish jam of vehicles due to some road works on lane 1 so I started to signal left and filter to lane 2 along with other cars in lane 2. But after a short while after filtering the cars in front slowed down and stop suddenly. I notice that car stopped and quickly stopped my brakes but unfortunately I couldn't stop the car in time and hit the car in front of me. The front car then hit the other car in front. We then came out of the car to acknowledge the 2 car drivers and I apologise to them together with my father. Very fortunately, nobody was injured or property damaged.

Please provide us the following and arrange for TP survey.

- evidence i.e. video and scene photo,
- PIR result (if any)

Please note that for liability, claim negotiation and settlement, please contact **Hsiao Tong at 6742 3197**.

Our respective case handler will look into the matter and get back to you in due course.

To check availability of the case handler, you may contact the undersigned.

Thank you.

'WITHOUT PREJUDICE'

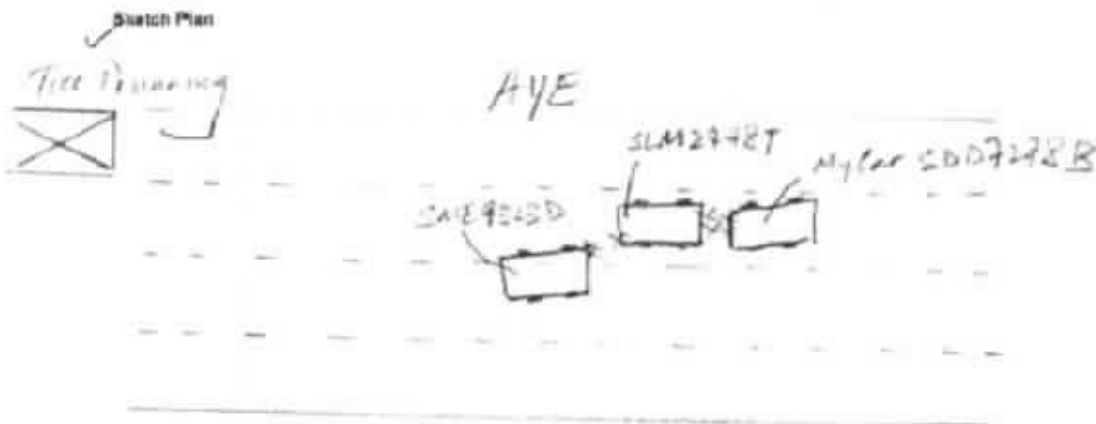

SAVE AS TO COSTS

Dear Sir / Madam,

We refer to the above matter.

Please be informed that we are currently **pending verification for direct settlement**.

Fyi, OI has reported. Please refer to the below OI's sketch plan and statement.

Describe Circumstances of the Accident

I was driving along H/E towards the direction of a bright Sunday morning. Visibility was good and I was driving with my father seated to me on the front passenger seat. My sister is in the rear passenger seat. I was driving in lane 1 along with other cars on H/E when we reach somewhere near mid-way of NUS (a straight stretch of the H/E) there was a short line of vehicles due to some road works on lane 1, so I started to signal left and filter to lane 2 along with other cars in lane 2. But after a short while after filtering, the car in front slowed down and stop suddenly. I notice that car stopped and quickly stopped my brakes but unfortunately I couldn't stop the car in time and hit the car in front of me. The front car then hit the other car in front. We then came out of the car to acknowledge the 2 car drivers and I apologise to them together with my father. Very fortunately, nobody was injured or property damaged.

Please provide us the following and arrange for TP survey.

- evidence i.e. video and scene photo.
- PIR result (if any)

Please note that for liability, claim negotiation and settlement, please contact **Hsiao Tong at 6742 3197**.

Our respective case handler will look into the matter and get back to you in due course.

To check availability of the case handler, you may contact the undersigned.

Thank you.
