**Brief Details.**

On 16/06/2019 at about 0900hrs, I parked my motorcycle at the carpark service road at Blk 763 Tampines Street 71. At that time, my motorcycle was intact.

On the same day at about 1315hrs, I returned to my motorcycle to retrieve some items when I discovered that it had been damaged at the right side, tail light, pipe, foot rest and left handlebar. There was also damage to the paint work. I also found a note placed near the handlebar area which stated the following, "Sir, I crash yr vehicle. any spoil can call me @ 98306273 so sorry". The note did not state the registration number of the vehicle that hit against my motorcycle.

While I was there, I was also approached by a person who informed that he had witnessed what had happened to my motorcycle. The witness informed that on the same day at about 1250hrs, he saw a lorry reversing near my motorcycle and while the lorry was reversing, the rear portion of the lorry hit against the front left portion of my motorcycle, causing it to fall over on the right side. The driver of the lorry then left a note on my motorcycle and left. The witness left his name as Faizal and he can be contacted at 97773266.

I wish to state that I have tried to contact the driver of the lorry through the telephone number left on the note multiple times but to no avail. As such, I am making this report.
