Dear So Chow,

We have interviewed your insured (see attached statement).

You are right in that the version of facts between the Plaintiff and your OI are conflicting. I note that the quantum for cost of repairs claimed by the Plaintiff is not unsubstantial and amount to \$11,972.06. Therefore it is worthwhile to set aside the interlocutory judgment at this stage.

Please let me have your instructions to set aside the interlocutory judgment entered against your OI. The costs payable to the Plaintiff for the setting aside application is usually fixed at \$1,200 plus disbursements. The Plaintiff is asking for costs of \$1,300 (see attached letter). I will recommend CI to offer the Plaintiff setting aside costs up to \$1,300 (all in). As a matter of prudence I will start the offer off at \$1000 (all in). **Please let me have your instructions.**

Kind regards,

**Wee Qianliang (Mr.)**
