Hello Khanchna

Following our conversation on the phone earlier, I would like to confirm that we would like to handle this incident as a private settlement.

However, since the survey has been done and hence the survey fee incurred, may we obtain the results of the survey as well so that we can proceed privately with the other party?

Thank you  
Carissa

The letter was dated 27 June and I know that the note stated that we had to get back to you 5 days after the letter. However, I just opened our mail last night and so, I'm writing to ask for an extension to the deadline. I hope to get a favourable reply and obtain a few more days to attend to this matter. Thank you.
