**Brief Details.**

I am lodging this report because I received a letter from Traffic Police addressed to my company(Advan Engineering Pte Ltd, Blk 1 Tampines North Drive 1 #08-66). The letter is dated 09/04/2019, reference number: TP/IP/23641/2019. I was informed to lodge a traffic accident report as there is ongoing investigation in the case.

On 24/03/2019 at about 1750hrs, I was travelling in my company bus PC4773X from Sentosa Gateway turning left into Keppel way on the outer right lane. While on the left bend, I heard a sound and when I check my left wing mirror, I noticed a black vehicle (SKS9130T) right beside my vehicle. I stopped at the side and also notified the other car to stop.

We made a check on both our vehicles and I realized that my bus had a many scratch/dents on the left front tire area and the front door. The other car suffered a dent on the right front driver car door. As there was no injuries on both parties, no traffic police at scene and no government property damaged, we decided not to lodge a police report and proceed with insurance claim. I exchanged particulars with the other driver and took photo of the scene.

I have all the photos and a cctv video recording of the incident. I am lodging this report as part of traffic police investigation purposes. I have a witness on the bus (Jakelin, HP:96626779)
