CONTINUATION OF REPORT

Brief Details.

I refer to TP/IP/23743/2019 date on 9 April 2019.

On 28/03/2019 at about 1445hrs, I accepted a Grab booking originating from Sennett Ave, Which I arrived at about 1500hrs. The road is a single carriageway road with two lanes, it is at a private estate and this is the first time I patronized this area. There were car parked at both side of the road, requiring drivers etiquette for giving way. As my passenger took a while and also there was a lorry my car waiting for road access, I navigated my car aside. However I do recall a car was parked slightly out of line with a bit of jerk out with another car parked in the opposite direction of this car. I am not certain if my car had accidentally scratched the stationery and unoccupied vehicle while trying to navigate through the limited space along the road.

When my passenger come, I did checked with her if the stationery car belong to her. However it does not belong to her and she was in a rush to her destination. I wanted to leave my contact number on the windscreen in case that there is any damage caused by my car. However when I returned to the location 10 minutes later the car is no longer parked there.

I did examine my car afterward, however I did not found out any new scratches on the left passenger side body on my car. I would also like to state that my car has already sustain scratched from a previous incident.
