### Brief Details.

On the abovementioned date and time, I was driving at the said location and was making a right turn from Clementi Avenue 4 into Clementi Avenue 5.

The vehicle in front of me ( SLX8319K) was making a right turn and I was queuing behind him to make a turn as well. While he was moving forward a little, I followed but was unable to brake in time as he suddenly braked again before making his move forward. I then hit onto the rear of his vehicle resulting in a minor damage to both vehicles.

My vehicle ( SLG 8298B) front bumper is slightly damaged in front and the alignment is slightly off. The other vehicle ( SLX 8319K) has a slight damage on the rear bumper. No one is injured during this accident.

I am thus lodging this report for insurance claims purposes.
