Brief Details.

On 15/06/2019, about at 6pm, at Thomson Medical Centre's opened carpark, I went back to pick up my car after I accompanied my wife whom was in Thomson Medical Centre. Afterward, I realised that my car (Car Plate: SKQ2435X) right side between the driver and passenger doors were dented and had multiples scratches. The other party's car (BMW Car Plate: SMG2694T) had scratches on the left side of her car, near to her headlight. She was parking in the parallel position and I was parking in the perpendicular position. She misjudged the space in front and hit my left side of my car.

I wished to state that I didn't witness the incident, and the information are provided by the car valet from Thomson Medical Centre. He also mentioned that I am able to retrieve the CCTV if required on 17/06/2019 (Monday). I'm lodging this report for recording purpose and to facilitate my insurance claim.
